

THE SET UP RILEY FELIX

[the set up by felix riley goodreads](#)

The Set-Up is the debut novel of Felix Riley, and I'm giving it five stars. I really enjoyed the concept behind it. Unlike the stereotypical 'President in danger' plots, The Set-Up merely uses the presidential visit as a backdrop for the corrupted and twisted world of Wall Street.

The inspiration for The Set-Up is very straightforward. I was working in the City when the Credit Crunch hit. The banks and other financial institutions will deny it now but at the time there was real PANIC. Proper, grown-up, grown-men-crying pandemonium. Everybody was drunk in the car when it suddenly ploughed into Joe Public.
